

A LANDSLIDE FOR ROOSEVELT!

ROOSEVELT

FAIRBANKS

New York, Nov. 8.—The Brooklyn Eagle, a democratic newspaper, announced at 7:07 p. m. that Roosevelt has been elected president, and that Higgins has been elected governor of New York. The Evening World at 7 o'clock tonight conceded the election of Higgins as governor of New York. The Evening World concedes the election of Roosevelt. The Brooklyn Eagle (democratic) announced at 7 o'clock that Roosevelt has been elected president and Higgins elected governor of New York. The returns from Ulster county, Esopus township, which is Parker's home district, show that Roosevelt received 173 votes and Parker 159, or a majority of 14 for Roosevelt. It is conceded at democratic national headquarters that Roosevelt has carried every doubtful state.

NATIONAL.

Esopus, Nov. 8, 8:30 p. m.—Parker sent this telegram to President Roosevelt.

"Rosemont, N. Y.
The President, Washington:—

The people by their votes have emphatically approved your administration and I congratulate you.

(Signed) Alton B. Parker.
President Roosevelt's reply to Judge Parker's telegram was as follows:—

Alton B. Parker,
"Rosemont, N. Y.
I thank you for your congratulations.
Theodore Roosevelt."

WASHINGTON.

Washington, Nov. 8.—President Roosevelt and party who went to Oyster Bay to vote returned to Washington shortly after six this evening accompanied by Captain Cowles, the president immediately entered his carriage and was driven to the white house.

President cordially acknowledged the greetings of the crowd of people gathered at the station. An unusually large detail of policemen and detectives were at the station to see that no harm befell the president. The return trip from Oyster Bay was uneventful.

Washington, Nov. 8.—President Roosevelt tonight after the election returns thoroughly indicated the result issued the following statement:

"I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and tried to do, I appreciate to the full the solemn responsibility of this confidence imposed upon me, and I shall do all in my power not to forfeit it. On the fourth of March next I shall have served three and one half years and this three and one half years constitutes my first term. The wise custom which limits the president to two terms regards the substance and not the form, and under no circumstances will I be candidate for or accept another nomination."

Washington, Nov. 8.—Roosevelt received telegram from republican national headquarters in New York saying he has carried New York state by about two hundred and fifty thousand.

Kansas City, Nov. 8.—The Journal, republican, claims the defeat of Congressman Cowherd, chairman of the national democratic congressional committee by fifteen hundred.

NEW JERSEY.

Trenton, N. J., Nov. 8.—Early returns from all points in New Jersey indicate that Roosevelt has carried the state by a much larger majority than McKinley in 1900 which was 56,869.

MASSACHUSETTS.

Brockton, Mass., Nov. 8.—W. L. Douglas, the democratic candidate for governor, late tonight claimed his election and issued a statement as follows: "That I am profoundly gratified at the balloting does not fully express my feelings. To be honored with the election as governor of Massachusetts on the democratic ticket in a presidential year is surely an earnest

evidence of the good will of my fellow citizens of all parties. As governor I shall endeavor to serve the interests of the whole people, and shall devote my energies to securing relief for our overburdened industries from the law makers at Washington. I shall do what I can to bring about a reduction in the cost of living for our people."

NEW YORK.

New York, Nov. 8.—Wm. Barnes, jr., chairman of the republican state committee at 8 o'clock wired Roosevelt at Washington as follows: "Your plurality in New York state will exceed two hundred thousand. Higgins is elected governor by over one hundred thousand. Third district of the ninth ward, in which Judge Parker votes, gave him 77 majority. In 1900 the same district gave Bryan 71 majority."

New York, Nov. 8.—If Maryland has gone republican as unofficial returns at this hour indicate the republican vote in the electoral college will be unprecedented, a total of 325 for Roosevelt and Fairbanks to 151 for Parker. Not only is this far in excess of McKinley's vote of 292 in 1900, but Parker's vote is four less than given Bryan four years ago. It is practically certain that the republican national ticket carried every state in the union outside of the so called solid south. It may take the official count to decide Maryland. The republican majority to the next house of representatives will not be less than fifty.

New York, Nov. 8.—Chairman Cortelyou of the republican national committee, sent the following telegram to the president tonight:—

"The country has given an overwhelming vote of confidence to you and your administration. My associates on the republican national committee join me in the heartiest of congratulations."

The second dispatch read: "Keenly appreciate your message of congratulation and acknowledge as well in my behalf, my loyal and devoted associates of the republican national committee. Am personally most deeply gratified by the splendid endorsement you have received from your countrymen."
George B. Cortelyou."

New Burg, N. Y., Nov. 8.—Governor O'Dell received election returns at his home by special wires tonight. Many persons called and congratulated the governor. He later gave out the following:—

"The victory of course, greatly pleases me. It is a magnificent endorsement of the republican administration, both state and national. I have thought all along our people in weighing up the qualifications of the opposing candidates, would reach the conclusion they have reached. Personally I am gratified beyond measure, because this victory demonstrates the American people will always resent reflections on the integrity of public officials. This victory is important because it will be an incentive to young men to participate in the affairs of state, undeterred by fear of unjust criticism. The victory gives assurance of a continuance of wise and conservative policies of the republican party both state and national."

New York, Nov. 8.—Broadway tonight is packed with a shouting multitude who were celebrating the election. Horns, bells, rattles, whistles and other contrivances, which would create a din were used with vigor and effect. Around the vigorous point where bulletins are displayed the crowd jammed the streets until they were completely blocked. It was a

good natured crowd and all seemed to be republicans for the time as the names of Roosevelt and Higgins were often and heartily cheered. The result was known so quickly that much interest was taken away from the bulletins and the crowd marched up and down the streets creating a deafening din that developed in a roar for more than a dozen blocks.

TENNESSEE.

Nashville, Nov. 8.—At 11 o'clock both democrats and republicans claim the state. The returns indicate a majority of fifteen thousand for the democratic national ticket, perhaps five thousand less for Fraser, democrat candidate for governor.

UTAH.

Salt Lake, Nov. 8.—At midnight scattered returns indicate Roosevelt will have a plurality exceeding seven thousand. His vote showed a heavy increase in every precinct indicated. The indications point to the election of John Cutler, republican, for governor, by a smaller plurality. In some districts, especially Salt Lake county, two thirds of the ticket was scratched. The result may not be known until tomorrow afternoon. The American (anti-church domination) party vote in this county may reach eight thousand.

INDIANA.

Indianapolis, Nov. 8.—Republican Chairman Goodrich issued statement saying Indiana gone republican forty thousand.

ILLINOIS.

Chicago, Nov. 8.—Vice Chairman Harry S. New, of the national republican committee, spent the evening at the national headquarters and was in a jubilant frame of mind. "The anticipated landslide has arrived. The people of the country have endorsed Roosevelt's administration in terms that admit of no mistake. He has carried every doubtful state by the greatest majorities ever given a presidential candidate."

Chicago, Nov. 8.—Dispatches to associated press to 12:10 p. m. show the republicans elected 169 congressmen and the democrats 137. In the other eighty districts 49 are now represented by republicans and 31 by democrats.

Chicago, Nov. 8.—Secretary Dover, of the national republican committee, says that Roosevelt will have 317 votes, which is six more than pre-election estimates. He said:—
"Owing to the difference in time and great distances in western states are meagre and incomplete. We have carried every doubtful state. In addition to the party endorsement, the victory is a great personal triumph for Roosevelt."

MONTANA.

Butte, Nov. 8.—Roosevelt carries the state, O'Toole, democrat, is reelected governor. All but two democrats are elected to state offices.

Washington, Nov. 8.—Chairman Cowherd of the democratic congressional committee, late tonight said:—
"We concede that the republican landslide for Roosevelt has carried the house of representatives by a majority as large as that now had."

ARIZONA.

Phoenix, Nov. 8, (Special to Journal-Miner)—Fowler leads in Phoenix by 300 and is gaining in the county. Santa Cruz county gives 75 majority for Fowler. Pima it is estimated at 10 o'clock will give Fowler 200 majority. Pinal gives Smith 150.

Flagstaff, Nov. 8, (Special)—Reports on delegates have been received from following precincts: Canon Diablo, Fowler 5, Smith 5; Grand Canyon, Fowler 19, Smith 17; Bellemont, Fowler 9, Smith 4; Maine, Fowler 17, Smith 13.

RUSSIANS RUSHING

By Associated Press.

Mukden, Nov. 8.—Lieut. Gen. Linevitch recently appointed to command the first army arrived today by special train and was met by General Sakharoff. He was enthusiastically received by all troops. Linevitch will assume command immediately. The Russian front extends sixty six miles. Quiet was broken this morning, November 7th, by a Russian cannonade of intensity that has had no parallel in weeks. There is no sign of a Japanese advance.

St. Petersburg, Nov. 8.—General Sakharoff reports the Japanese vanguard assumed the offensive November 7th, along the line from Changtan to Khenan and occupied the villages of Otintse, Kitaitse, whence however Russians expelled them, recouping the original line. No fighting today.

CURE FOR LOCK JAW

My father, who has now passed away, was a physician, practicing for over fifty years, and cured many cases of lockjaw. Even after the jaws were set they became relaxed and the patients recovered.

He often told me that it was a great outrage to let patients die of lockjaw as they have done time after time in the hospitals of this city. Then he told me what to do and which I have always done whenever I have accidentally cut my hand or foot with rusty iron, and have never had any serious results. He told me that this knowledge he received from an old French physician, years ago. He said to have a raw red beet, cut in half, scrape or mash it into a pulp and apply it to the wound and also to the palms of the hands, binding it on like a poultice. The juice of the red beet will cure lockjaw. It draws the poison out and prevents it from spreading.—Dr. Ricketts, in Philadelphia Record.

CHRISTMAS DELINEATOR

The December Delineator, with its message of good cheer and helpfulness will be welcomed in every home. The fashion pages are unusually attractive, illustrating and describing the very latest modes in a way to make their construction during the busy festive season a pleasure instead of a task, and the literary and pictorial features are of rare excellence. A selection of Love Songs from the Wagner operas, rendered into English by Richard Le Gallienne and beautifully illustrated in colors by J. C. Leyendecker, occupies a prominent place, and a chapter in the composers' series, relating the Romance of Wagner and Cosima, is an interesting supplement to the lyrics. A very clever paper entitled "The Court Circles of the Republic," describes some unique phases of Washington social life as from an unnamed contributor, who is said to write from the inner circles of society. There are short stories from the pens of F. Hopkinson Smith, Robert Grant, Alice Brown, Mary Stewart Cutting and Elmore Elliott Peake, and such interesting writers as Julia Magruder, L. Frank Baum, and Grace MacCowan Cooke hold the attention of the children. Many Christmas suggestions are given in needle work and the cookery pages are replete with the Christmas feast. In addition, there are the regular departments of the magazine, with many special articles on topics relating to woman's interests within and without the home.
